Name the two children (a boy and a girl) you have identified indicating the following information clearly.

Name of learner	Occupation of parents	Language (s) spoken	Where parents live
[redacted]	Traders	Fante	Santa-Maria

Indicate any learning needs identified

- The learner needs attention
- The learner needs motivation from both teacher and parents.

How do these learning needs affect the way they learn?

- Poor performance in class activities
- Low confidence in the learner.

ACTIVITY 10.5.2

SRJ Task: Observation of how mentor delivers lessons to support the diverse needs of learners.

Record three strategies your mentor adopted to support diverse learners in class.

- Giving assistance to the learner if the learner finds any difficulty.

- Mentor waits for learners to respond to questions and giving fairly respond.
- Mentor encouraged learner to do more of reading and spelling.

Record what you would do differently to help diverse learners if you had the opportunity to teach them.

- Encourage the learner to do his or her best by awarding the learner in the form of gift or marks.

ACTIVITY 10.5.3

Topic 10.6: Discussion of teaching philosophy and building portfolio

Day of visit Wednesday

Date of visit 16th July 2025

Activity 10.6.1

SRJ Task: Discussion of individual's beliefs and values of teaching and learning.

Record what you have learnt from the sharing of beliefs and values of teaching and learning.

Teaching and learning is done through the spirit of passion and love. Teaching and learning can be made easily when one understands that teaching and learning need care, passion, patience and love. If the teacher has patience care and love. The ~~stud~~ learner will also have the passion for learning.

Record your first philosophy statement taking a cue from the discussions you have had with your mentor and STS partner on beliefs and values in teaching and learning.

(I believe teaching should be student-centered fostering curiosity and critical thinking and creativity.

Activity 10.6.2

SRJ Task: Collection of artefacts, including the use of ICT tools for building a professional portfolio.

Make a list of artefacts that can be used to build a teaching portfolio.

- Camera
- Phones
- Audio Recorder
- Computer.

Record the relevance of the artefacts collected from the STS school to teaching and learning.

- It serves as a source of demonstrations in the classroom.
- It makes teaching and learning easier.
