Activities 10.2.1-10.2.2

SRJ Task: Identify the key features of the Basic School Curriculum (BSC).

What have I learnt about the scope and sequences in the BSC?

_ I've_ learnt_ that_ scope_ and_ sequence_ stops_ random_ jumping_ between_ topics_

It_ make_ sure_ concepts_ spiral_ and_ get_ deeper_ each_ year.

Its_ gives_ a_ clear_ term_ by_ term_ breakdown_ in_ the_ NaCCA_ curriculum_ documents.

Align_ teaching, learning_ and_ assessment

What ideas are behind the sequencing of the sub strands across the grade levels?

___1. Spiral_ curriculum_: Concept_ appear_ at_ each_ grade_ level_ but_ with_ increasing_ depth_ and_ complexity_.

2.Simple to_ complex_ to_ abstract_: Start_ with_ what_ learners_ can_ see_, touch_ and_ experience_, then_ move_ to_ abstract_ ideas.

3. Prerequisite_ and_ logical_ dependence_: some_ sub-strands_ must_ come_ before_ others_ because_ they_ provide_ the_ foundation_.

4. Developmental_ Appropriateness_: The_ sequence_ matches_ learners_ cognitive_, social_, physical_ development_ at_ each_
age._____
_____
_____
_____
_____
_____
_____

How will I apply this new knowledge in my teaching/class?

_1. I_ will_ start_ every_ lesson_ with_ a_ sequence_ check_.

2.Build lessons_ that_ move_ from_ recall_ to_ new.

3. Match_ the_ activities_ and_ SBA_ to_ tbe_ indicator's_ demand.

4.Use it_ for_ remediation_ and_
differentiation_____
_____
_____
_____

Why is continuity and progression important in lesson planning?

__1. It_ matches_ how_ the_ brain_ learns.
_____
_____2. It_ prevents_ gaps_ and_
overload_____
_____3. It_ saves_ time_ __

guiding_._____
_____
_____
_____

What best practices did you observe during the lesson?

_ Collaborative_ learning_: students_ works_ in_ small_ grlups_ wkth_ clear_ roles_ to_ achieve_ a_ share_
goals._____
_____

List any cross-cutting issues (inclusivity and diversity) that emerged during the teaching and learning interactions and state how they were addressed.

Its_ about_'know your learner': students_ who_ needs_ extra_ time, who's_ shy, who_ is_ disable, who_ struggles_ with_ English_ vocabulary_ and_ reading_.

Use_ of_ varied_ methods: Mix_ talk, visuals, hands-on, peer_ talk. If_ you_ only_ lecture_, you_ lose_ visual_ and_ kinesthetic_ learners. Language_ support_, balance_ participation._____
_____
_____

_____

Lessons learnt from stakeholder meetings such as staff PTA, SMC or CPD

_Communication prevents conflict and explaining policies concerning fees, discipline and results.

Shared decision-making works. When community leaders, parents and teachers plan together, projects actually get done.

Transparency builds trust. open budget updates r grant spent stops rumors and suspicion.

Teaching evolves fast. Methods you uesd 5years ago may not reach today learners. CPD keeps you current.

Peer learning is powerful. The best tips often come from the teacher next door, not just the facilitator.

TOPIC 10.4: Small scale classroom enquiry with four (4) learners

Day of visit_____ Tuesday_

Date of visit___21st April_ 2026

Activity 10.4.1

SRJ Task: Identification of learners' learning needs.

Record the learners' learning needs you identified and suggest ways of addressing them in table 10.4.1

Table 10.4.1: Learners' learning needs and suggested solutions

S/N	Learners' learning needs	Suggested ways of addressing them
	`Learners with poor performance in class	**Review of course objectives after lesson**
2	**Learners who do not participate in class**	**Organizing group discussion so that they can be able to contribute ideas**
3	**Learners who are not able to imitate what have been though**	**By adopting role playing method of teaching**
4	**Learners with low confident in class**	**Motivation**

Activity 10.4.2

Designing simple tools for data collection

State three ways of collecting data on learners for a study

1. __Observation;Watching and recoding learner behavior and participation. The use of checklist, rating scale and group work to measure student performance_____
2. __Test and assessments; Formal or informal tools that measure knowledge , skills and performance. The use of class test, quizzes ,practical exams and assignments._____
3. ___Interviews and questionnaires; Asking learners directly for their views, experiences or background iformation.One-on-one or focus group discussions._____

Activity 10.4.3:

Analysis of data collected and writing of report on the learning progress of learners

Write at least two key things you have learned in activity 10.4.3

_ Helps to determine learner's abilities and capabilities_____

_____ Helps_ to_ encourage_ learner_ to_ achieve_ an_ educational_ goals._____
